

N MATERIAL™ ADVANTAGE

The Student Program for Materials Science and Engineering

Everything Else Is Immaterial

Materials are the building blocks of our world.
If you want to pursue a career in materials science
and engineering, use the right materials to build your future -
the many benefits of membership in the
Material Advantage Student Program.

Take advantage of these great benefits:

- Networking through your local Material Advantage student chapter
- Society journals to expand your knowledge
- Reduced conference registration fees and student publication prices
- Career placement services and the Forum on Careers in Materials Science & Engineering
- Prizes and recognition through student competitions
- Scholarships and grants totaling more than \$600,000
- Regional and national conferences and events to meet future employers and colleagues

Qualifications: A full-time student in good standing at a post-secondary, degree-granting school may become a Material Advantage student member upon application and payment of dues.

Membership Year: The Material Advantage student membership year begins January 1 and ends December 31. New member dues are based on the following schedule:

- Applications submitted January - August, \$25 for current calendar year
- Applications submitted September - December, \$25 for remainder of current calendar year and the entire following year; subscriptions to commence at the beginning of the following year.

In succeeding years, all student members will be billed for membership dues in October for the following year. Note: Two weeks are required for processing of complete applications submitted with payment. Allow six to eight weeks for subscriptions to begin.

Upon Graduation: Recognizing the financial demands on young engineers, ACerS, AIST, ASM and TMS have established special incentives for the first year of individual professional membership following graduation. You will be notified prior to your anticipated graduation date that your Material Advantage student membership is about to expire, and be provided with information on continuing your membership with ACerS, AIST, ASM and TMS. Please note that Material Advantage membership is not available following graduation and that completion and submission of separate applications will be required to continue all professional memberships.

Complete application and
submit with payment to:
