

**2013 Material Advantage  
Congressional Visits Day (CVD)  
April 10-11, 2013**

**REGISTRATION and TRAVEL GRANT APPLICATION\***

\*All participants **must** complete this registration form, including faculty advisors.

**PLEASE RETURN THIS FORM BY February 25, 2013.**

**IMPORTANT NOTE:** CVD is intended for students who reside in, or are attending schools in, the United States; therefore, we are only accepting applications from students who meet this criteria. Students wishing to attend CVD must be Material Advantage members. Due to limited funds and space, a maximum of 5 students from any one university may request travel grants and attend the reception on the evening of April 10.

The Material Advantage Student Program is offering a limited number of travel grants to student registrants to help offset costs to Congressional Visits Day. The amount of travel grant funds will be determined once applications are received, but we expect it will be between \$100 - \$150. All grants will be sent after the event upon verification that the student was in attendance. Faculty are not eligible for travel assistance at this time. **Registration and travel grant applications are accepted on a first come, first served basis, so act early!**
