

MS&T'09[®]

Materials Science & Technology
2009 Conference & Exhibition
October 25-29, 2009 • Pittsburgh, PA

Organized by:

ACerS (The American Ceramic Society) • AIST (Association for Iron & Steel Technology) • ASM (ASM International) • TMS (The Minerals, Metals & Materials Society)

Material Advantage Student Career Connection
Connect your company with metallurgy, material science,
and engineering students!

The "Material Advantage Career Connection" event will take place at MS&T 2009 in Pittsburgh, Pennsylvania on **Tuesday, October 27, 2009 from 11:00 a.m. to 2:00 p.m.**, located in the MS&T Exhibition Hall, David L. Lawrence Convention Center. Your company/university is invited to participate.

Over **700 students** are expected to attend MS&T 2009, creating a tremendous recruiting opportunity for companies/universities to reach the perfect audience of qualified potential employees/graduate students. Promote your company/university to young, technology-oriented students, to further their understanding of the many career opportunities.

A representative from each company/university registered will need to be available to speak with the students from 11:00 a.m. to 2:00 p.m. A table (6' table and two chairs) will be provided for each company. The students will be directed to the event throughout the afternoon and encouraged to submit resumes, etc. Companies/universities may provide promotional materials and schedule future meetings directly with students if a connection is made. Tables are available on a first come, first served basis.

Companies/universities interested in participating in the Material Advantage Career Connection event are invited to return this registration form along with payment in the amount of US\$200 (a special discount) to "AIST" by September 15, 2009.

Name of Company/University:

Name of Representative:

Title:
