

## Recruit a New Material Advantage Member and You May Win BIG!!

### **MATERIAL ADVANTAGE MEMBERSHIP DRIVE**

Do you know someone that would benefit from membership in [Material Advantage](#)? If so, recruit them during the month of February and register to become eligible for a drawing to win big prizes! Every **current** student member who recruits a **new** Material Advantage member in February 2018 can register for the drawing to win one of three prizes of US\$500. Each prize will be shared, with US\$400 going to the student who “recruited” and US\$100 going to the new Material Advantage member! Each new student member registered counts as one entry in the drawing.

*It is simple to participate:*

- 1) Recruit your friends to [join Material Advantage online](#) during the month of February 2018 (only US\$30)! Use the online [Membership Brochure](#) to help promote the program!
- 2) [Register each new member](#) that you recruited for the prize drawing by 1 March 2018.

Your chances of winning increase with each new member that you recruit during February! Winners will be announced on 19 March 2018. A new member may only be recruited by one current member, and submission of the online Membership Drive Registration Form will establish the date and time of the first qualified entry (in the event of a duplicate submission). Prizes will be paid in Visa gift cards, PayPal account transfer or check.
